Objective

- Passionate about **UI/UX** design, eager to gain hands-on experience, and contribute to a dynamic and **fast-paced** environment.
- Proficient in using **Figma, Sketch, HTML, CSS, WordPress, JavaScript, React JS**, and **Redux**.
- Web designing using **Bootstrap, Flexbox**, and **Grid** system.
- Proven **interpersonal skills**, with the ability to work efficiently as a **team player** and independently.

WORK EXPERIENCE

University group projects

Jan 2023- To date

- Conducted user research to develop personas, user stories, and user flows.
- Collaborated closely with consulting and design teams to assist in the research, design, and prototyping of user interfaces and experiences.
- Created wireframes, mockups, and prototypes to effectively communicate design ideas.
- Participated in usability testing sessions and incorporated feedback into design iterations.
- Supported the team with general administrative tasks as needed.
- Contributed to the creation of design documentation and style guides.

McDonald's crew member (Part-time)

Jun 2023- To date

- Dedicated McDonald's crew member with experience in fast-paced customer service environments
- Demonstrated expertise in delivering exceptional service, handling cash transactions accurately, and maintaining a clean and organized work area.
- worked in batch cooking station, drinks and front stations.

Website Developer

Mar 2022 - Jan 2023

- Website and application design.
- Keep up-to-date with the latest technology and programming trends.
- develop code into user-friendly software
- gather requirements from a broader team and translate team input into a fully-functioning application.

Front-End Developer

Oct 2019 – Mar 2022

- Responsive web design.
- Website and single-page application design.
- develop code into user-friendly software.
- work with React, web components, and functional interfaces.

EDUCATION

Master of User Experience Design

Jan 2023 – to date

Birmingham City University, United Kingdom

Master of Civil Engineering

Jan 2018

Ferdowsi University of Mashhad, Iran (GPA: 7.76/10)

OTHER ACHIEVEMENTS

HTML, CSS, JavaScript, React JS, Redux (Certificate)

Feb 2022

Sololearn (Online Courses)

Web Editing, React JS/Redux, IT Security, Python Associate (Certificate)

May 2022 - Aug 2022

i3center Inc, Iran

Verified International Academic Qualifications

Aug 2022

World Education Services

SKILLS

- User Experience Design (UX)
- User Interface Design (UI)
- HTML5, CSS3
- JavaScript, React JS, Redux
- Wireframing and prototyping
- Design thinking
- Problem-solving
- Familiarity with design tools such as Sketch, Adobe XD, Figma
- User research methodologies and usability testing experience

Projects

Serial app (using React JS and Redux)
